About the Institute

With funding from the Andrew W. Mellon Foundation, the Scholarly Communication Institute (SCI) was hosted from 2003 through 2013 at the University of Virginia, and provided opportunities for leaders in scholarly disciplines, academic libraries, advanced technologies, and higher education administration to study, develop, and implement creative and innovative strategies to advance scholarly communication in the context...
PAOLO MANGIAFICO

2015 Scholarly Communication Institute

SCI 2015 will take place October 11-15, 2015, at the Rizzo Center in Chapel Hill, NC. This is the second year in North Carolina, following a stimulating SCI 2014 on the theme "Scholarship and the Crowd". You can learn more about the 2014 SCI from its web site, from a Storify thread that collected photos...
